ACM Medical Laboratory Announces New Vice President, Sales and Marketing

ROCHESTER, N.Y. (June 6, 2011) – ACM Medical Laboratory, a division of Unity Health System, is pleased to announce the appointment of Todd Meyers as Vice President, Sales and Marketing, responsible for the business development efforts for all lines of ACM's business around the world. Todd brings to ACM a wealth of experience in global sales management, strategic marketing, proposal development and market research that has been gained through a highly successful career in the pharmaceutical and pharmaceutical support services industries.

Todd is coming to ACM from i3 Global, a pharmaceutical services company, where he was Head of Business Development and Therapeutic Planning for the Clinical Drug Development Services Division. Prior to that, he was Senior Vice President, Sales, Marketing and Consulting for the Zitter Group, and Executive Director, Business Development for Covance's North America Clinical and Periapproval Services business. Todd also spent several years at Innovex, a division of Quintiles, where he served in roles of increasing strategic responsibility, including the General Manager, Vice President of Operations and Sales for the Primary Care and Specialty Contract Sales Division.

"We are delighted to have Todd join our executive management team of ACM", said Angela J. Panzarella, President of ACM Medical Laboratory. "He comes to ACM with extensive leadership experience and track record of success in areas that are critical to the continued growth and success of our business."

About ACM Medical Laboratory

ACM Medical Laboratory, Inc., located at 160 Elmgrove Park in Rochester, NY, is a full-service testing laboratory. As one of the largest and fastest growing regional reference laboratories in the United States, ACM Medical Laboratory, a division of Unity Health System, has over 30 years of experience conducting laboratory testing.
